

FOCUS COMPACT SPOT GII

The Focus Compact Spot GII is a 4 Watt, ultra-compact zoom fixture. It is designed for showcase lighting and other applications where an ultra-compact fixture with variable zoom optics is needed. The Focus Compact Spot GII has a very precise and stepless zoom range from 13° to 65°. Additionally, it offers an internal slot for mounting colour- and/or correction filters. It also has a large choice of accessories, including snoots, tilt extenders, couplers, and extension rods in 10 or 30 cm to adjust the height of the fixture up to 120 cm.
