

JADE B

The Jade B is a surface mounted LED light fixture with an M10 thread stud attachment for installation on a cable tray or metal ceiling. It is available in 20, 30 or 40 watt versions with a large choice of LED light sources and colour temperatures, and features an energy label of A+ or A++. The Jade B is part of a large product family with dozens of different versions, so it can be adapted to suit any lighting plan.
