

Cavity Wall Plastic Box

35mm Depth Plastic

Optimal Audio

A dry lining box fixes to a plasterboard wall by sitting behind the plasterboard to give it a flush look. The ZonePad can then be inserted and fixed to the box.

FEATURES

- Multiple knockouts provide flexible cable entry to suit the installation
- Large flange around front prevents slipping into cavity
- Nylon lugs have large bearing faces for superior strength
- Flame retardant thermoplastic
- Board thickness 6.35-15mm

SPECIFICATIONS

Part No.	PUR100011
Connection system	Screw terminal
Mounting method	Flush mounted (plaster)
Colour	White
Material	Plastic
Depth	35 mm
Height	83 mm
Width	143 mm
